IGNITED MINDS ORGANISATION ??

Ignited Minds Organisation is an NGO that is addressing various social aspects and to empower youth in various aspects that includes Science & Technology. The organisation has 9 wings of which two of its wings are student centered !

PROJECT VIGNAN

- ✓ One of the Wings of IGM and its contributions are oriented towards supporting innovations, pilot projects, organising technical workshops etc
- ✓ Encouraging young innovators and enhancing curiosity among students in the Science & Technology domain through lecture series, events, tech fests etc

PROJECT ACHARYA

- ✓ Wing Acharya, focuses on providing skill trainings to the youth, organizes seminars, youth talks etc in encouraging the youth for their overall development

SCAN HERE TO KNOW MORE

It is privilege and honour to share that...

- Ignited Minds Organisation has adopted the integrity pledge from Central Vigilance Commission
- The Organisation profile can be seen on the Niti Aayog NGO Darpan portal
- The organisation received ISO 9005:2015 Certification from the Paramount Quality Certifications, for withstanding the best quality services in the areas of educations, trainings etc
- Through Internshala, the organisation was active in hiring Interns to provide real time exposure and experience for the potential candidates

A DAY FOR ENGINEERS ?

“Every year on “September 15” , we celebrate the day as Engineer’s Day to commemorate the achievements & contributions of Dr. Mokshagundam Visvesvaraya, a civil engineer from Bharath”
